Current Responsibility

Nick Gipe is a consulting actuary with the Health Practice in Milliman's Seattle office. He joined the firm in 2015.

Professional Work Experience

Nick has extensive experience providing actuarial and strategic support to his clients, primarily health plans and state Medicaid agencies. Nick's primary areas of focus are Medicare Advantage, Medicare Part D, Medicaid, and dual-eligible populations. Nick's work in these areas is diverse, including Medicare Advantage bid development, Employer Group Waiver Plan pricing, Medicaid rate setting, risk score monitoring and optimization, fee schedule development, value-based contracting review and support, budgeting and financial forecasting support, and more.

Professional Designations
