Current Responsibility

Andy Mueller is a principal and consulting actuary in the Milwaukee office of Milliman. He joined the firm in 2001.

Professional Work Experience

Andy's area of expertise is health insurance and managed healthcare programs. He has advised managed care organizations, hospital systems, state government agencies, insurance companies, employers, and other organizations. His primary focus is in Medicare Advantage.

Andy assists health plan clients with several facets of their business, including rating, self-funded rate development, liability estimates, product design, health care reform issues, development of risk sharing arrangements, and other actuarial projections.

Further, Andy helped develop Milliman's Medicare Suggest product, which helps beneficiaries find the optimal Medicare plan for them.
