

CASSI NOEL

ASA, MAAA

Associate Actuary

cassi.noel@milliman.com

952-820-2428

Current Responsibility

Cassi Noel is an associate actuary with the Minneapolis office of Milliman. She joined the firm in 2017.

Professional Work Experience

Prior to joining Milliman in June 2017, Cassi graduated from the University of St. Thomas where she majored in Actuarial Science and minored in Mathematics and Mathematical Statistics.

Since joining Milliman, Cassi's primary area of concentration has been long-term care insurance. She has assisted clients with in-force management, including state insurance department rate filings. She has experience with data management and review, regulatory compliance review, client and government communication, and project management.
