

# DANJIE ZHOU

FSA, MAAA

Associate Actuary

danjie.zhou@milliman.com

206-613-8190

## Current Responsibility

Danjie Zhou is an actuary with the Health Practice in the Seattle office of Milliman. She joined the firm in 2019.

## Professional Work Experience

Danjie is an experienced actuary with more than 10 years of healthcare experience across both health plan and consulting environments. She has worked with health plans, hospital systems, and provider groups, and joined Milliman in 2019. Her primary areas of experience as a healthcare actuary include:

- Developing provider reimbursement benchmarking and comparison tools that identify contract improvement opportunities
- Supporting Medicare Advantage and Part D bid modeling and feasibility studies
- Estimating quarterly and year-end Incurred But not Reported (IBNR) claims and premium deficiency reserves
- Serving as an expert with Medicare fee schedules, including Inpatient Rehabilitation Fee Schedules and Inpatient Psychiatric Fee Schedules
- Supporting clients in analysis claims and membership to inform product, network, and performance decisions

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

- Dual MS, Business Analytics /Quantitative Finance and Risk Analytics, Rensselaer Polytechnic Institute
- BS, Mathematics and Applied Mathematics, Beijing Forestry University
- BS, Economics, Peking University
