nicole.synnott@milliman.com

Main +1 860 687 0100 | Office +1 860 687 0191

## Current Responsibility

Nicole Synnott is a consulting actuary with the Hartford office of Milliman. She joined the firm in 2018.

## Professional Work Experience

Nicole contributes on a variety of projects for both public and private sector clients. Her experience includes pricing health benefits, estimating claim reserves, and assisting employers and health plan sponsors with creditable coverage modeling. Nicole also supports Medicare Part D plan sponsors with benefit design, formulary analysis, and pricing of prescription drug plans.

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

BS, Mathematics, Actuarial Science-Finance, University of Connecticut, Summa Cum Laude
