Consulting Actuary

joel.vandervorst@milliman.com

+31 6 5139 6049

## Current Responsibility

Joël van der vorst is a consulting actuary based in Milliman's Amsterdam office and has been with the firm since 2007. He provides actuarial consulting services with a primary focus on property & casualty and disability insurance across the Netherlands and Belgium.

## Professional Work Experience

Joël has over 25 years of actuarial consulting experience, advising leading Dutch insurers on complex valuation and capital management challenges. Joël specializes in property & casualty and disability insurance, with additional experience in life and health insurance. Joël provides a wide range of consulting services, including risk capital modeling, reserving analyses, fulfillment of the actuarial function, and reviews of pricing, reserving, and risk capital processes. Joël has extensive knowledge of the Solvency II framework (including internal model development, internal model validation and ORSA) and IFRS 17.

## Professional Designations

Fellow, Actuarieel Genootschap (Dutch Society of Actuaries)

## Education

- Post Master to Actuary AG, Dutch Actuarial Institute
- Master's degree, Actuarial Science, University of Amsterdam
- Master's degree, Econometrics, Tilburg University
